Mascha Kaléko

Es regnet

Es regnet Blümchen auf die Felder,
Es regnet Frösche in den Bach.
Es regnet Pilze in die Wälder,
Es regnet alle Beeren wach!

Der Regen singt vor deiner Türe,
Komm an das Fenster rasch und sieh:
Der Himmel schüttet Perlenschnüre
Aus seinem wolkigen Etui[1].

Vom Regen duften selbst die Föhren[2]
Nach Flieder und nach Ananas.
Und wer fein zuhört, kann das Gras
Im Garten leise wachsen hören.
